Detail Report:

On September, 7, 2022 BAMB students visited to Namdevrao Bhoite Highschool, Walava to cover a live event of Science Exhibition. This is a school where Science Exhibition was arranged. Our students was covered this total event for social media.

Social media is extremely important in today's world. The students were given the responsibility of doing the entire broadcasting of the science exhibition organized by the said school. Which included sharing information about various researches, devices live on social media. The students of the department performed well. This study was conducted to gain knowledge about the obstacles and skills required while covering live events.

10 college students was present to visit. Mrs. Tejaswini Parbkar was present.
