Department of Nutrition organized **Nutritious recipe contest** at Titave, Dated on 17 oct 2022. Mrs. Sanhita katik successfully conducting the competition. A Total of 20 students participated in this event. This competition was organized to celebrate **world food day** (16 oct 2022).

We constantly seek new and innovative approaches to promote students engagement in a way to bring about positive changes.

As a part of this endeavor, SVLM organized food day celebration virtually for the students which they enjoyed thoroughly. Celebrating world food day at SVLM College, Titave facilitated our students to understand importance of food. World food day is celebrated all around the world on 16 oct every year. The day promotes global awareness and action for those who suffer from hunger and for the need to ensure healthy diets for all.

To mark the day, Department of science, Department of computer & Department of home science students were involved in activity; they made High protein and low fat recipes with little salad decoration. Students were also explaining the process, nutritive value & recommendation of the recipe. A general conversation was held to raise awareness on food security and in order to achieve the goal of zero hunger in our country. Winner of the competition select on the basis of sensory evaluation. (Sensory evaluation include texture, appearance, taste, smell and the color of the product. )
