Detail Report:

A selfie with mother program was organized in the college on the occasion of World Mother's Day. For this, the college students were allowed to take a selfie with their mother and submit it in the given Google form. This event was organized on 9th May 2021.

The purpose of the program was for the students and teachers to spend some time with their mother on the occasion of Mother's Day. If you look at it, we are constantly taking different selfies. But on the occasion of special Mother's Day, everyone was appealed to take selfies and submit them. The appeal was made on behalf of the B. A. Mass Media Department to all students and teachers in the college.

For this event, 45 college students and teachers took selfies with their mothers and uploaded them through Google Forms.
