Detail Report:

Environmental conservation has become an important need today. Numerous vehicles we are currently using are causing massive environmental degradation. Continuous pollution is causing global warming and various pollutants. To avoid this we need to use a bicycle. This will reduce pollution and give us a healthier life. The competition was organized on June 3, 2021 to promote the use of bicycles through painting by college students.

The theme of the competition was the use of bicycles for environmental conservation. Students from various departments of the college submitted sketches on the subject. The use of different vehicles has shown its impact on the environment. The students sent various sketches on the use of bicycles for environmental conservation and healthy living.

In this competition below students are the winners. 1st - Shailaja Vishnu More (SY, B.Sc.), 2nd - Shivani alias Suhani Balwant Kamble (SY, B.Sc.), 3rd - Divya Kashinath Kamble (SY, B.A.M.M) are won, prizes in this competition
