• **Detail Report –**

On the occasion of world AIDS day the faculty of sciences organized poster presentation on The theme of this year's World AIDS Day is "**Communities make the difference**" on 2nd December 2019. The student of B.Sc. and DMLT are drawn such good poster on it. The Posters inaugurated by Mr. Rahul Kamble (Faculty Head of Sciences department). Then students give brief introduction about posters.

Then Mr. Rahul Kamble said that, HIV continues to be a major global public health issue, having claimed more than 32 million lives so far. However, with increasing access to effective HIV prevention, diagnosis, treatment and care, including for opportunistic infections, HIV infection has become a manageable chronic health condition, enabling people living with HIV to lead long and healthy lives. There were approximately 37.9 million people living with HIV at the end of 2018. As a result of concerted international efforts to respond to HIV, coverage of services has been steadily increasing. In 2018, 62% of adults and 54% of children living with HIV in low- and middle-income countries were receiving lifelong antiretroviral therapy (ART). A great majority (82%) of pregnant and breastfeeding women living with HIV also received ART, which not only protects their health, but also ensures prevention of HIV transmission to their newborns. However, not everyone is able to access HIV testing, treatment and care. Notably, the 2018 Super-Fast-Track targets for reducing new pediatric HIV infections to 40 000 was not achieved. Global targets for 2020 are at risk of being missed unless rapid action is taken.

Then Miss. Snehalata Patil given precaution and safety majors for HIV. And then vote of thanks did by Ku. Shaileja More. And Anchoring did by Ku. Pratidnya Kamble.

And on 3rd December we arranged the World Awareness Rally at Titave Village. The Rally starts from college campus with Slogans and visual poster of Awareness about AIDS. The principal Mr. Santosh Chougale, vice Principal Mr. Rahul Kamble and all teacher staff and all students were present for rally.
