## Report:

Shahid Virpatni Laxmi Mahavidyalaya, Titave. Department of B.A. Mass Media organized guest lecture on 11<sup>th</sup> December 2021 on the occasion of Anti-Corruption Day for Role of media in corruption control topic.

For this event one of the special and knowledgeable guest **Dr. Shivaji Jadhav**, Assistant Professor, Department of Journalism and Mass Communication, Shivaji University, Kolhapur delivered lecture on "Role of media in corruption control." The lecture was conducted through online mode by using Google Meet. Event started with welcome and introductory speech by Mr. Digvijay kumbhar. Then Dr. Jadhav started his graceful and informative presentation to all.

The outline of his lecture was, "The role of the media is critical in promoting good governance and controlling corruption. It not only raises public awareness about corruption, its causes, consequences and possible remedies but also investigates and reports incidences of corruption. The effectiveness of the media, in turn, depends on access to information and freedom of expression, as well as a professional and ethical cadre of investigative journalists.

"Regarding anti-corruption, the media offers a key route for information about governmental, administrative and business activities to be disseminated throughout society, and thus providing the public with a critical capacity to hold those in power accountable. A free media acts as a disseminator of information and a channel of communication between people and the government. Its role in the policy process is worth appreciating. Media educates people by providing wealth of information related to socio-cultural and politico-economic aspects of the society. In a democracy it has been entrusted with the task of educating the people about rights and creating awareness on various serious issues and problems concerning the society. It helps in bringing the marginalized sections of the society to the mainstream." He explained.

The session was concluded by vote of thanks by Miss. Divya Kamble (T.Y. B.A. M.M.). Anchoring was done by Miss. Tejaswini Parabkar ((T.Y. B.A. M.M.). Total 50 students and faculties of our college and Dept. of Journalism and Mass communication, Shivaji University were participated in this guest lecture.
