### **Detail Report:**

On the occasion of World Radio Day Department of BA Mass Media was organized Poster presentation on 13<sup>th</sup> February 2020 at Shahid Hall. For this event our students designed no. of posters related to radio and presented it.

With their beautiful posters students learned following things. Radio is a powerful medium for celebrating humanity in all its diversity and constitutes a platform for democratic discourse. At the global level, radio remains the most widely consumed medium. This unique ability to reach out the widest audience means radio can shape a society's experience of diversity, stand as an arena for all voices to speak out, be represented and heard. Radio stations should serve diverse communities, offering a wide variety of programs, viewpoints and content, and reflect the diversity of audiences in their organizations and operations.

25 students from FY and SY class were present for this session. Anchoring of this session was done by Miss. Pranali Dhanaji Pati, and session was concluded with vote of thanks by Miss. Samruddhi Yuvaraj Patil.
