## Detail Report:

Shahid Virpatni Laxmi Mahavidyalaya, Titave. Department of B.A. Mass Media organized guest lecture on 23<sup>rd</sup> July 2022 related to forest research and reporting of Balgangadhar Tilak on the occasion of death anniversary of Balgangadhar Tilak.

For this event one of the special and knowledgeable guest **Mr. Subhash Mane**, Forest Researcher and Executive Editor, Bhudargad Times, Gargoti. delivered lecture on "A walk to the Forest." Event started with welcome and introductory speech by Mr. Rajendra Makote. Then Mr. Mane started his graceful and informative presentation to all.

The outline of his lecture was, Radhanagari and Dajipur have a lot of different species of plants. Some of them can be used for medicines. Many lives are unknown to the world. So, there is a big scope for research. While we are visiting to such type of forest we should try to find such species. If anyone decided to make research on this area, I can say surely that the entire life of the researcher will not be enough for research. The forest calls us to visit, and find something new. Nature is the best therapy for every situation of human life. Visit forests live long.

The session was concluded by vote of thanks by Miss. Neha Barage (T.Y. B.A. M.M.). Anchoring was done by Miss. Tejaswini Parabkar. Total 26 students and faculties of our college were participated in this guest lecture.
