Detail Report –

On 22 March, 2021, faculty of sciences celebrated, The World Water Day. The World Water Day celebrates water and raises awareness of the global water crisis.

According to theme 'valuing water' science students made the posters and inauguration of the posters by faculty head Mr. Rahul Kamble and all teacher staff. Introduction of the theme valuing water did by Miss.Rutuja Kamble.

On the occasion of the World water day, Faculty head Mr. Rahul Kamble guided to all students and also shared his valuable knowledge. He said that, theme of World Water Day 2021 is valuing water. The value of water is about much more than its price – water has enormous and complex value for our households, food, culture, health, education, economics and the integrity of our natural environment. Without a comprehensive understanding of water's true, multidimensional value, we will be unable to safeguard this critical resource for the benefit of everyone. Water is one of the most important aspect in our life, so valuing water is need of everyones life.

Then vote of thanks did by Miss. Snehalata Patil. Anchoring of this programmed did by Nilam Patil and Sakshi Patil. HOD Rahul Kamble, and all teacher staff, students were present for this event.
