Name of the Teacher	**Mrs. Ahilya P. Patil** Program Coordinator
Day and Date	22nd Sept 2018
No. of Participants	25
Time	9:00 am to 11:00 am

Detail Report:

SVL College always keeps on striving to impart extra and meaningful knowledge to the students in order to further polish and develop their skills in various fields and to prepare them for future situations.

Therefore, once again, complying with their goals, a Photoshop Workshop was conducted by Shahid Virpatni Laxmi Mahavidhyalay on 22th September 2018.

Photoshop Workshop was conducted by Principal of SVL College Mr. Santosh Chougale (M.C.A.)

Photoshop workshop started by giving an opening presentation on basics of Photoshop, its aims, objectives and benefits for students and then with detailed description of each tool, editing and resizing the pictures and then moved on to the usage of advanced tools. So students were comfortable with the basic tools of Photoshop.

Students were familiarized with Selection tool, move tool, lasso tool, magic wand, and as the time passed by, more exciting tools and the secret behind them was uncovered. Even after the tiring and hectic day, students displayed huge and appreciative amount of enthusiasm towards the workshop which just shows that the power of the thirst for learning beats everything else. The time passed by with the learning process students were left on their own and asked to make use of their imagination and creativity.

The workshop turned out to be a successful one; one which benefitted the students greatly. The hint of smile at the end of making their posters proved that all their time was worth a while.
