Detail Report:

Shahid Virpatni Laxmi Mahavidyalaya, Titave. Department of B.A. Mass Media organized guest lecture on 15th May 2021.

For this event one of the special and knowledgeable guest Mr. Uday Gaikwad (Senior Environmental Expert, Shivaji University, Kolhapur.) delivered lecture on **“Environment during Covid Pandemic and Media.”** The lecture was conducted through online mode by using Google Meet. Event started with welcome speech by our college Principal respected Mr. Prashant M. Palkar. Assistant Professor from B.A. Mass Media department Mrs. Rohini S. Salunkhe introduced the eminent guest. Then Mr. Uday Gaikwad started his graceful and informative presentation to all. The outline of his lecture was, how environment established, relation between pandemics and environment, pandemics in past, effects of industrialization, global warming, understanding nature etc.

Mr. Uday Gaikwad said that nature is continuously teaching us life lessons. If we learn to see towards nature as a teacher in positive manner, definitely nature will teach us much more. Whatever we are going to do there is a reaction from nature for that. Pandemics not comes directly by nature, they almost caused by human activities. Lockdown supported directly to reduce air pollution, water pollution etc. Peoples learned to save food and handle it carefully due to this pandemic situation. Many birds are going to see in our surroundings. Media giving information about world regarding Covid cases in various nations. Media also surely created awareness about using mask and sanitization. Media can also forcefully stop the events like Kumbh Mela and others where number of peoples gathered and caused to spread covid 19.

Its responsibility of media to inform peoples, nation and state government about what will be happen in future about medicines, health instruments etc. They can take surveys and give detailed information about if the pandemic. If media start to give some preventive information like the same then we will be survive safely. We have to change our lifestyle and definitely stop the bad habits like spiting, throwing garbage anywhere etc. We have to start leaving with situations, must accept some good habits like using mask, washing hands regularly, do not waste foods and do not disturb to nature for survive with nature.

The session was concluded by vote of thanks by Miss. Aishwarya E. Jadhav (F.Y. B.A. M.M.). Anchoring was done by student Miss. Dipali K. Lohar (F.Y. B.A. M.M.). For this workshop Mr. Rahul Kamble (Head, Faculty of Science), faculties from science as well as computer science department was participated. Total 95 students and faculties of our college were participated in this guest lecture.
