Detail Report:

Students of Shahid Virpatni Laxmi Mahavidyalaya, Titave was celebrated the Traditional Day to promote "Unity in diversity" which is based on the concept where the individual or social differences in physical attributes, skin colour, castes, creed, cultural and religious practices, etc. are not looked upon as a conflict. Rather, these differences are looked upon as varieties that enrich the society and the nation as a whole

Traditional Day was held on the 25th of January 2020 at the college. It was an eventful day. It was observed as a celebration of India's diverse culture. It's a day designated for students as well as teachers to come in traditional attire from their home state, or specific culture of their choice.

The celebrations were followed by cultural programs and ramp walks. Different classes' students having different looks some of them having South Indian looks, some having north Indian looks. Teachers also in Maharashtrian look. The Dhol-Tasha pathak was the most attractive and famous event of that day. All college students were presented on this occasion.
