Detail Report:

In the twentieth century, AIDS has caused a great deal of panic in the world. It's an opportunity for people worldwide to unite in the fight against HIV, to show support for people living with HIV, and to commemorate those who have died from an AIDS-related illness. The Slogan Making Competition was organized on December 1, 2021 to make the girls aware of the seriousness of the disease and to educate them about it.

College students wrote different slogans and created some messages to change the society through them. The competition was open to all female students in the department. 10 students had participated in this. Considering the ill effects of AIDS, the girls collected it in a few words to prevent it.

In this competition below students are the winners. 1st - Samruddhi Bhagawan Sutar (FY, B.A.M.M.), 2nd - Deepali Kakaso Lohar (SY, B.A.M.M.), 3rd - Tejaswini Jaysing Parabkar (SY, B.A.M.M.) are won, prizes in this competition
