Day and Date	01 December 2021

Detail Report

Shahid Virpatni Laxmi Mahavidyalaya, Titave. Faculty of Computer Sciences & NSS unit did celebrate Worlds AIDs Day, on 01 December 2021. World AIDS Day is celebrated on December 1 every year since 1988. It is dedicated to raise awareness, educate and improve the understanding of HIV as a global public health problem. It provides an opportunity to understand the interdependence between progress in ending Acquired Immunodeficiency Syndrome (AIDS) and progress towards universal health coverage and the right to health.

Everyone, regardless of who they are or where they live, has a right to health, which is also dependent on adequate sanitation and housing, nutritious food, healthy working conditions and access to justice. This year's World AIDS Day campaign promotes the concept of "Right to health".

World AIDS Day 2017 theme is "My health, my right". The World Health Organization (WHO) highlights the need for all 36.7 million people living with HIV and those who are vulnerable and affected by the epidemic, to reach the goal of universal health coverage.

On this occasion Computer Science and NSS unit has organize to Make rangoli competition on innovative ideas for presenting AIDs related slogans or symbols etc. In this competition some students are participated.

Winner list as follows:

1st price goes to Chinami Mengane and Patiksha Patil (BCA-II)

2ed price goes to Sakshi Dhanaji Dongale and Samrudhi Ananda Patil (BCA-II)

3rd price goes to Trupti Pandurang Une

Session was concluded by the vote of thanks by Mrs.Sanyogita Warake. HOD Mr.Sagar Shetage and all teaching staff, students were present for this event.
