Detail Report:-

On the occasion of 'science day's the faculty of science organized models, poster, and quiz competition also organized lecture on the theme of this year 'Future of STI (science, technology and innovations): Impact on education, skills and work' on 28th Feb, 2021

Every year, we celebrate the national sciences day on Feb.28 to remember the Raman Effect discovery of Sir C.V. Raman and Sir C.V. Raman won the Nobel Prize in the physics Field in the year 1930; this fact is celebrated on the national science day.

For this occasion sciences girls came with theme of Sir C.V. Raman. Also represent models and poster. Posters and model's competition inaugurated by president of college laxmibai patil. 'Organic farming ' is the most attractive model in the competition. Also organized quiz competition for all department of college.

The science department Head Rahul Kamble Sir said that the main objective of science day is to bring awareness to people about the importance of science in our daily life and to encourage people by popularizing the science and technology also we discuss all the issue and implement new technologies for the development of the science. To display the all activities, efforts and achievement in the field of science for welfare of human being. Every year, the day is celebrated with a particular theme. He also says" without science, there is no change in the world"

Then vote of thanks did by Miss. Rutuja Kamble Madam and anchoring did by Akshata bhosale and Aakanksha aanajekar. College President Laxmibai patil ,Principal Mr. Palkar sir, Head of department Mr. Rahul kamble sir, All HOD's, all teacher staff, student are present of this event.
