Shahid Virpatni Laxmi Mahavidyalaya, Titave. On the Occasion of "Voter Day" Department of FSN organized online Speech competition On "Voter Day" dated on 25th Jan 2022. The program was started with a welcome speech by Miss. Shubhangi Vaidya.

Government of India has decided to celebrate January 25 every year as "National Voters' Day". It has been started from 25 January 2011 to mark Commission's foundation Day. India is a democratic country. Every citizen has the basic right to vote. He or she has the right to select his leader to whomever they think is capable of leading the nation, solving the problems of common people, bringing about change, etc. National Voters Day is a significant root of India as the future of the country lies in the leader that we choose. Just think once, that if we do not come forward and choose the right leader then the progress and development of the country will be hampered and will also affect the people of the country. It is the leader of the country who decides various basic big projects and several things. If the basic system will not be developed properly it may lead to under construction of roads, electricity connection problems, etc. Hence, we should encourage youth to participate and build a strong network for the coming generation who will make sure to cast their votes without fail.
