Detail Report:

Shahid Virpatni Laxmi Mahavidyalaya, Titave. Department of Computer science organized guest lecture on 24 September 2022 related to **Hardware and Networking.**

For this event one of the special and knowledgeable guest **Mr. Abhay Mane CEO/CFO I-Protech, Kolhapur, Maharashtra, India** delivered lecture on "**Carrier in Hardware and Networking**". Event started with welcome and introductory speech by Principal Mr. Prashant palkar. To make the students know about the basics of networking & its essentials Department of Computer Science organized a corporate extension lecture on "**Carrier in Hardware and Networking**" for the students of third year of BCA and BSc IT. The lecture was delivered by Mr. Abhay Mane, CEO/CFO I-Protech, Kolhapur.

During the sessions, the speaker briefed the students about the role & skills required for a core network engineer & ensure students to stay relevant with skill sets needed for the adoption of next generation technologies. The objectives of the session were to explain the importance of CCNA, help students understand its practical view & related further opportunities. They emphasized that CCNA is virtually a gateway to networking & is a prerequisite to other courses such as CCNP. The speaker further explained concepts like TCP/IP, IP Addressing & Submitting, Routing Information Protocol (RIP), Routing Information Protocol V2 (RIPv2), etc.

The session helped students gain clarity & confidence over networking concepts studied in the curriculum along with the knowledge about the same with reference to career prospects. Students were very satisfied with the session.

He then explained the complete structure of IT, the hardware scenario, sand the software scenario. He then compared IT sector with the other sectors of the economy namely manufacturing sector, service sector, and agricultural sector. He also told about the relevance of IT in retail industry and management world.

He also talked about the challenges faced by the IT sector and its scope. He gave a vivid picture of the current scenario of IT by giving relevant statistical data. Throughout this lecture, students gained a better understanding of trends in technologies and opportunities for future career growth. They also gained the knowledge of different techniques and models applied for developing new application or products

The session was concluded by vote of thanks by Mr. S.V. Shetage. Total 71 students and faculties of our college were participated in this guest lecture.
