Detail Report

Shahid Virpatni Laxmi Mahavidyalaya, Titave. Faculty of Science organized a guest lecture on Employability skills in Science dated 29 May 2021.

Guest Lecture was started by warm welcome of chief guest Dr. Gajanan Rashinkar (Shivaji University Kolhapur) and Principal Mr. Prashant Palkar sir and all presented Students through online mode which was done by faculty head Mr. Rahul Kamble. Then our college Principal Mr. Prashant Palkar briefly introduced about guest Dr. Gajanan Rashinkar. His is an assistant professor at Department of Chemistry Shivaji University Kolhapur. He has Teaching experience: 18 years also 41 Research Papers published nationally and internationally. Etc.

They said, the transferable skills needed by an individual to make them 'employable. Employability depends on your knowledge, skills, and attitudes, how you use those assets, and how you present them. He told and understood the difference between employability and eligibility. We want to fill the gap between Eligibility and employability so there are lots of employability skills we want to improve like good communication Motivation, initiative, Leadership, Reliability, dependability, Following instructions, Teamwork, Patience, Adaptability, etc. Communication is the most important skill that everyone has to be applied in their selves.

He also said employability skills are important because the labor market is intensely competitive, and employers are looking for people who are flexible, take the initiative and have the ability to undertake a variety of tasks in different environments. He explained the concept of employability in an easy way. Sir has given lectures in very simple language and made that session very interactive and graceful. And at the end of session sir also explained the about future opportunities in jobs as well as business.

For this Session Where more then 100+ students presented thought online mode as well as faculty of science and non-teaching staff. Anchoring of this event was smoothly done by Shaileja More (B Sc. II) and Akshata Patil (B.Sc. I). and vote of thanks proposed by Miss. Shubhangi Vaidya.
