## Detail Report:

On April 9, 2022, BAMB students visited Keshavrao Bhosale Natyagruhato watch the play Network 24 \* 7. This theater is about 90 years old. This theater was built with the inspiration of Rajarshi Chhatrapati Shahu Maharaj. It was formerly known as the Palace Theater.

What is media? And the pressure on people in the media to express their personal views is very well portrayed in this play. This play gives you an idea of what the state of the media is and what the real state of the media is. In spite of all these pressures, the pressure exerted by local and foreign investors on the media, the true and false programs done to increase the trp are all very well presented in this play.

After watching this Play, the student was given an assignment to write Movie Review.

25 college students was present to watch Drama. HOD Mr. Digvijay Kumbhar, Mrs. Shubhangi Bhandigare was present.
