Respected sir,

Sub: Thanking letter

Ref.: For attending "ANKURAM" as a chief guest

Respected sir,

With reference to above mentioned subject we are thankful for accepting our invitation and attending the "ANKURAM-2k23" as a Chief Guest. We also thankful for your graceful lecture for students in our institute. We hope that you found the overall event informative and worthwhile. There were many topics covered in event and presenters did an outstanding job of sharing their expertise with you. Thank you for your comments and suggestions on the evaluations.

Again thank you for being part of our "Ankuram-20k23"

We wish you the best.

Sincerely,

Organized
"Science Exhibition"

Date of Activity	28 th February 2023	Time : 10.00AM-5.00 P.M
Venue of Activity	Science Campus	
Objectives	To make students who made different things and ideas in Various projects & Models	
Activity Coordinators	Miss. Supriya D. Patil	
Chief Guest	Dr.S. H. Sawant	
Moderator	1) Mr. Nivas Farakte 2) Mr. Krishnat Sathe	
Attendees	Faculty Members along with participants 20	
Importance	It provides a platform for the students to use their scientific knowledge and bring the best invention from their brains. It also allows students to work together in groups and learn from each other. They share their ideas and collectively galvanize those ideas to bring something innovative into implementation	
List of Experiments & Models	1) Human Brain Working Model 2) Heart Working 3) Respiratory System 4) O ₂ in air 5) Solar panel 6) Holography 7) Surface tension of water 8) Lungs working model 9) Working of Human heart

Detail Report

In 28 February 2023, a science exhibition was organized by our College on national science day. Dr. S.H.Sawant Senate member Shivaji University, Kolhapur was the chief guest of that event. Students from other Colleges were also invited to the event. The principal along with the faculty members organized that exhibition. Students from every class were allowed to present what they have interests and want to make.

All the participant students show their models related to science such as Human Brain working model, Lungs working model, Surface Tension of liquid, molecular models, solar systems, etc. The participant students were so happy with their creativity. The chief guest, principal & moderator surveyed the exhibition and asked about the details from students who made different things. Other people who came to see the exhibition also enjoyed the event very much.

In the end, the chief guest come to the stage and gave a speech on the importance of science and technology. He distributed prizes to all the participant students and encouraged them. The principal also gave a motivational speech and admired students for their efforts and interest. He then thanked everyone for coming to the science exhibition and becoming a part of the event.
