(2022-23)

The Institution has well organized feedback system to monitor and evaluate the quality of teaching learning process. The structured feedbacks were taken from students, teachers, alumni, parents and employers at the end of academic year through online mode to assess the satisfaction of all the stakeholders regarding curriculum and its transaction. The feedback form is made available through web link on institute website. All the feedbacks collected and analyzed by feedback committee. Suggestions received from all stakeholders are taken into consideration. The duly analysed feedbacks with suggestions are forwarded to IQAC and CDC for necessary action to be taken.
