## World Environment Day

2024-2025

<b>Name of the Event and Guest</b>	<b>World Environment Day</b> Dr. Jagannath Patil (Educationist) Virpatni Laxmibai Patil (President, Shahid Shikshan Prasarak Mandal, Titave )
<b>Organizing Dept./ Committee</b>	Department of Computer Sciences & NSS Unit
<b>Organizing committee</b>	Mr. Sagar Shetage, Mr. Avinash Palkar
<b>Day and Date</b>	5 <sup>th</sup> June 2024

## Detail Report

Shahid Virpatni Laxmi Mahavidyalaya, Titave. **Department of Computer Sciences & NSS unit** celebrate **World's Environment Day**, on 05<sup>th</sup> June 2024. The United Nations has declared June 5, 1972 as World Environment Day. Every year since then, June 5 has been observed as World Environment Day. World Environment Day originated in 1972 at the United Nations Conference on the Human Environment in Stockholm. The conference began on June 5 and lasted until June 16. Since then, World Environment Day has been celebrated on June 5.

Dr. Jagannath Patil (Educationist) said nowadays we see how much damage has been done to the environment. Pollution has damaged the environment and we are cutting down trees. This causes more damage to the environment. If there are more trees, the damage to the environment will be less. Who will plant the trees ?? You can only break them. There is little to plant. Trees should also be planted. So as to minimize the damage to the environment. If you want to see a green India. So, the trees must be planted. The beauty of nature is nothing but trees. If nature is to be saved, trees must be planted. The trees don't give you anything. Everything is given by the trees.

So plant trees,

Keep the trees alive

Save nature !!!!!

Tree plantation done at roadside of Titave Tal: Radhanagari village for this Dr. Jagannath Patil (Educationist) ,Virpatni Laxmibai Patil (President, Shahid Shikshan Prasarak Mandal, Titave ), Principal Mr.Prashant Palkar, Mr. Sagar Shetage(HOD Computer Science ) with all staff were present.
