The Shahid Virpatni Laxmi Mahavidyalaya is implementing the e- Governance in following areas operation

1. Administration
2. Finance and accounts
3. Student admission and support
4. Examination

The College Website <http://www.svlm.in/> Regular Publications and provides time to time information and notices related admission and academic activities.

Following information present in college Website

1. Program offers 2.Facilites 3. Admission 4. Placement. 5. R&D etc.

1. Implementation of e governance in areas of administration

College staff members utilize social apps like Gmail and WhatsApp on their smartphones to facilitate communication. After classes, a WhatsApp group is employed to disseminate brief notification bout upcoming events on the college campus. Students have the option to submit electronic copies of assignments to the specified email addresses. Furthermore, professors may share study materials with students through their personal email or WhatsApp groups by providing the necessary email addresses.

2. Implementation of e-governance in areas of operation student admission and support

The universities sets the admission procedure, allowing applicants to apply separately to their desired programs, either through a centralized online admission system or by visiting the respective admission offices.

Additionally, the college employs a software-based systematic process to manage the distribution of books from its library.

3. Implementation of e-governance in areas of operation finance and accounts

Salaries for faculty and staff are disbursed through digital banking transaction, while students have the option to pay their fees using cash, UPI, or online methods. All scholarship disbursements are conducted electronically, and as per the scholarship scheme requirements, students are required to have an account number linked to both their mobile and Aadhar numbers.

4. Implementation of e-governance in areas of operation Examination

The university administers annual and semester examinations by sending decrypted question papers via email, and the college follows the universities guidelines for conducting these exams. Subsequently, all internal and external marks updated both in the university portal and the college software.

One can consider that a significant improvement has occurred in various e-governance operations, indicating an overall enhancement in the institutions performance.
